Notes Below

This nonprofit, *International Men's Day TT (IMDTT)*, for which I am also the Secretary and one of the present 3 Directors, established on the 2nd day of January 2019, has started in a similar manner to the nonprofit MAVAW, with the Directors and friends using their personal tax exempt personal allowance to manage its 1st year of operation. *Our First Budget therefore will have "0's" in the respective columns.* We started with 5 Directors and ended up in December 2019 with 3.

We have plans to embark on funding mechanisms in order to manage the many projects planned by IMDTT, so our future Budgets may be different. We will try to survive as an independent self-sufficient nonprofit, for as long as humanly possible, making a positive case for CHARITABLE BODY STATUS in a couple of years. Assets may include, buildings, plant and equipment etc.
